WHEREAS, Denita Harrison of Danbury, Connecticut has been issued license number R42559 to practice as a registered nurse by the Department of Health Services pursuant to Chapter 378 of the General Statutes of Connecticut, as amended; and

WHEREAS, Denita Harrison hereby admits and acknowledges that:

1. During December 1990 and subsequent thereto, while working as a nurse at Danbury Hospital in Danbury, Connecticut she:

  - (c) falsified one or more Controlled Substance Receipt Records.
2. She is licensed as a nurse only in Connecticut and does not have licensure pending in any other state.
3. The conduct described above fails to conform to the accepted standards of the nursing profession in violation of §20-99(b) of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §19a-17 and §20-99(a) of the General Statutes of Connecticut, Denita Harrison hereby stipulates and agrees to the following:

1. That she waives the right to a hearing on the merits of this matter.
2. That her license number R42559 to practice as a registered nurse in the State of Connecticut is on probation for three (3) years.

3. That her probation is subject to the following conditions:

Said screens shall be legally defensible in that the specimen donor and chain of custody can be identified throughout the screening. She shall be responsible for notifying the laboratory and her therapist of any drug(s) she is taking. There must be at least one such drug and alcohol screen bi-monthly during the period of probation. Said reports shall be negative for drugs and alcohol.
- 5.) Said reports cited in 3.A.3. and 3.A.4. above shall include documentation of dates of treatment, an evaluation of her progress and drug and alcohol free status, and copies of all laboratory reports. Said

8. The parties stipulate that any violation of the terms of this Consent Order authorizes the Department to seek a summary suspension of the respondent's license. The respondent specifically waives the provisions of Connecticut General Statutes §4-182(c) which requires a finding of an emergency before summary action can be taken. The respondent agrees that any violation of the terms of this Consent Order will constitute grounds for summary action. That any deviation from the term(s) of probation without prior written approval by the Connecticut Board of Examiners for Nursing shall constitute a violation of probation. A violation of any term(s) of probation specified in paragraphs 3., 4., 5., or 6. above shall result in the right of the Connecticut Board of Examiners for Nursing to immediately revoke or take other disciplinary action as cited in Connecticut General Statutes §19a-17 against her nursing license. Any extension of time or grace period for reporting granted by the Connecticut Board of Examiners for Nursing shall not be a waiver or preclude the Board's right to take action at a later time. Notice of revocation or other disciplinary action shall be sent to her address of record (most current address reported to the Licensure and Renewal Section of the Division of Medical Quality Assurance of the Department of Health Services or the Connecticut Board of Examiners for Nursing). 12. That this Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, that said order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive her of any rights that she may have under the laws of the State of Connecticut or of the United States.
